ADA KNOWLEDGE: A Return on Your Investment

Understanding the ADA offers a big return on your investment. Let the DBTAC - Great Lakes ADA Center help. We can:

- Increase the capacity of employers and small businesses to effectively serve customers with disabilities;
- Increase knowledge of the employment opportunities for people with disabilities;
- Increase knowledge of assistive technology and barriers created by inaccessible information technology;
- Increase opportunities for community participation by people with disabilities;
- Increase the knowledge of individuals with disabilities regarding their rights and responsibilities under the ADA;
- Enhance understanding of the architect and design community regarding the application of universal design and adherence to applicable accessibility standards;
- Increase the capacity of the legal advocacy system to address the rights of individuals with disabilities under the ADA.

ACCESS IS GOOD BUSINESS!
